The Benefits of Society Membership

The Schuyler County Historical Society is a non-profit educational corporation with the purpose to collect preserve and share the history of Schuyler County. The Society operates the Lee Schoolhouse and the Brick Tavern Museum in Montour Falls. We offer educational programs to promote an appreciation and understanding of the history and people of Schuyler County.

Members receive:

- Admission to our two museums in Montour Falls. The Society maintains for public benefit the Brick Tavern Museum at 108 North Catharine Street and the Lee School House Museum on New York State Route 14 south.
- A subscription to the Schuyler *Journal* and our newsletter *The Vista*. The *Journal* is our quarterly sixteen page publication informing you of people, places and events in Schuyler County history. *The Vista* is our informational newsletter keeping you up to date about our two museums and Society.
- Free use of the Society Research Library (non-members are charged \$5 an hour). The library houses historic photographs, books, directories, manuscripts, newspapers, maps and reference files valued by educators, researchers, writers and others interested in the area's history. It is also regarded as an excellent source for local family genealogy.
- Invitation to special Society programs and activities.
- Special opportunities to volunteer your time and talents on projects ranging from staging exhibits, to maintaining the Society's collections, to helping others enjoy them.
- Full voting privileges to help shape the Society's future.
- Visibility for your business in an important community organization, including valuable connections for your representatives who participate.

➤ **Our Membership year is from January 1, 2010 through December 31, 2010.**
